20) **Unsolicited Offers**

Bidders must be very careful to submit a bonafide bid and after submitting a bid he shall not resile from his offer or modify any terms & conditions thereof without being asked to do so. Should the tenderers fail to observe the foregoing stipulations the EMD will be forfeited and the revised offer of the tenderer will also be rejected.

21) ***The bidder would be provided access to the Auction through a "User ID" protected by a "Password". The bidder needs to ensure that the "User ID" and "Password" is not revealed to unauthorized persons. Bidders are also requested to change the password allocated to them by the "Service Provider" to keep their confidentiality. However it would be bidder's sole responsibility to ensure the security and privacy of the same and he/they would not hold the "Client" / "Service Provider" responsible in any manner whatsoever for any misuse of these user IDs and/or Password.***

22) **Service provider" retains the right to cancel or reschedule the auction, with the approval of the Competent Authority of the Client, on any of the following reasons:**

- **The number of confirmed bidders is deemed insufficient to conduct the auction**
- **Some of the confirmed bidders are unable to access the module due to infrastructure problems such as sustained power failure or telecommunication breakdown.**
- **There are no bids, which are equal to or below Start Bid Price.**
- **Any other reason which in the opinion of "Service Provider" / "Client" requires such action to be initiated.**

The duration of auction may also vary from the pre-specified period of time either on account of termination of the auction by "Service Provider" on the advice of the Client

Or

In case of situations where it is felt that continuance of the auction proceedings is prejudicial to the smooth conduct and / or the integrity of the auction process.

Or

Due to Auto Extension during the Auction, duration may increase from specified period.

In the event of any problems being faced in the smooth conduct of the auction, "Service Provider" with the approval of the Competent Authority of the Client, shall have the right to undertake one or more of the following steps:

- Cancellation/ premature termination of the auction with/ without a subsequent rerun of the auction on a mutually decided date
- Cancellation of a bid
- Locking / deactivate a bidder's account (suspension of operations in the account), etc.

In case of failure of net connection, bidder will give his best price to the "Service Provider". "Service Provider" will bid on behalf of the bidder with the minimum increment until the bid price reaches the best price offered by the bidder, by proxy bidding mechanism.

The best price communicated by the bidder will have to be authenticated by written confirmation or fax to the "Service Provider" and will be kept confidential between the "Service Provider" and the bidder. Bidder will be bound by the price offered. The Fax is to be sent to Auction Controller at Kolkata at the no: 033-22883536.

23) **Submission of Bids in the Online Forward Auction will mean that the bidder has gone through the terms & conditions and the same are accepted in totality.**

These rules cover the **Roles & Responsibilities** of the parties in the online Forward Auctions on the Auction Platform. **Acceptance in-to these General Rules and Regulations governing conduct of online auctions and Terms and Conditions for Sale of Materials by auction of Rourkela Steel Plant is a pre-requisite for securing participation in the online auctions.**

The key terms pertaining to the online Forward Auctions are provided in the "Annexure-D". Prospective bidders are advised to read through the same.

ROLE OF "SERVICE PROVIDER"

1. "Service Provider" is the agency (operator) primarily providing the service of the Forward auction to the "client".
2. Finalization of the auction items in consultation with the client.
3. Defining of bidding rules for each auction in consultation with the client.
 - a. Enhancing bidder awareness of and comfort with the auction mechanism and bidding rules.
 - b. Input of the Auction items and defining the bidding rule in the auction engine.
 - c. Enlarging the customer base by introducing new bidders.
 - d. Collection of EMD, Letter of Interest etc. from the willing bidders and forwarding the same to the Client.
 - e. Providing access to the approved bidders to participate in the Auction.
 - f. Summarizing the Auction proceedings and communicate the outcome to the Client.

The responsibility of fulfillment of the contract rests between the bidders and the client and the responsibility of the "Service Provider" shall be restricted to the extent of the services provided by them.

ROLE OF BIDDER

The role of the bidder is outlined below:

1. The bidder would participate in the auction with the aim of bidding to secure the auctioned item in the auction
2. The bidder would be provided access to the Auction through an "User ID" protected by a "Password". The bidder needs to ensure that the "User ID" and "Password" is not revealed to unauthorized persons. Bidders are also requested to change the password allocated to them by the "Service Provider" to keep their confidentiality. **However it would be bidder's sole responsibility to ensure the security and privacy of the same and he/they would not hold the "Client" / "Service Provider" responsible in any manner whatsoever for any misuse of these user IDs and/or Password.** Access to the auction mechanism shall be provided to all the approved bidders subsequent to obtaining their written consent to the General Rules & Regulations and the Letter of Interest. Payment of Earnest Money Deposit (EMD) as decided by the client before the start of the Forward auction will be one of the necessary conditions for participating in the auction.
3. Bidders hereby confirm that they shall commit to lift the item (being bid for) at the price entered by them in the auction engine AND at the terms and conditions specified herein by the Client. All Prices entered shall be legally binding on the bidders. Bidders are strongly advised to exercise due diligence while placing bids. Failure to honor the bids placed during online bidding shall render the bidders liable for penal action as deemed fit by "Client" / "Service Provider".
4. In the event of winning an allotment in the auction mechanism, the bidder shall commit to fulfill outlined obligations under the contract.
5. The bidders shall bid on the terms specified by the client & place their bid in the auction engine in the manner specified by "Service Provider". The bidders shall not stipulate any conditions on their own unless the terms of the client (the client's terms & conditions) expressly permit such conditions being stipulated by the bidder. Bids entered with conditions attached shall be considered Conditional bids & "service provider" retains the right of rejecting these bids even without intimating the client.

BIDDING RULES

The Bidding Rules refer to the information and terms defined specifically for a particular auction. The purpose of the Bidding rules is to provide approved bidders with the information and terms specific to the auction in which they are bidding. This would include:

- Definition of the unit bidding
- Start Time and duration of the auction
- Any extension of the duration of the auction in the event of bids being received towards the end of the pre-specified duration
- Start Bid Price
- Specified Unit for Bidding
- Price Increments and any reduction in the price increment in the auction in the event of inactivity
- Other attributes (informational/non-negotiable in nature)

While it shall be the endeavor of "Service Provider" to specify these rules at the earliest for each online auction, the "Service Provider" shall retain the right to delay the announcement of these biddings rules or modify rules specified earlier at the time of the online bidding. These details would be available to the bidders on the Auction Engine at the time of bidding.

Participation in the auction process presumes complete awareness & understanding of the bidding rules.

CONDUCT OF THE AUCTION:

Only those bidders who have been approved by the "Client" and handed over stamped and manually signed "General Rules and Regulations governing conduct of online auction along with Letter of Interest, required EMD amount and other necessary documents to the "Client"/ "Service Provider" prior to the start of online auction will be given "Login ID" & "PASSWORD" to enable them view and participate in online auction.

The Auction shall be conducted on pre-specified date. The Key Terms pertaining to the conduct of Auction such as "**START TIME**", "**DURATION**", "**END TIME**" & "**AUTO EXTENSION FACILITY**" Shall be specified separately for each Auction.

"Service provider" retains the right to cancel or reschedule the auction, with the approval of the Competent Authority of the Client, on any of the following reasons:

- The number of confirmed bidders is deemed insufficient to conduct the auction
- Some of the confirmed bidders are unable to access the module due to infrastructure problems such as sustained power failure or telecommunication breakdown.

- There are no bids, which are equal to or below Start Bid Price.
- Any other reason which in the opinion of “Service Provider” / “Client” requires such action to be initiated.

The duration of auction may also vary from the pre-specified period of time either on account of termination of the auction by “Service Provider” on the advice of the Client.

Or

In case of situations where it is felt that continuance of the auction proceedings is prejudicial to the smooth conduct and / or the integrity of the auction process.

Or

Due to Auto Extension during the Auction, duration may increase from specified period.

In the event of any problems being faced in the smooth conduct of the auction, “Service Provider” with the approval of the Competent Authority of the Client, shall have the right to undertake one or more of the following steps:

- Cancellation/ premature termination of the auction with/ without a subsequent rerun of the auction on a mutually decided date
- Cancellation of a bid
- Locking / deactivate a bidder’s account (suspension of operations in the account), etc.

In case of failure of net connection, bidder will give his best price to the “Service Provider”. “Service Provider” will bid on behalf of the bidder with the minimum increment until the bid price reaches the best price offered by the bidder, by proxy bidding mechanism.

The best price communicated by the bidder will have to be authenticated by written confirmation or fax to the “Service Provider” and will be kept confidential between the “Service Provider” and the bidder. Bidder will be bound by the price offered.

LIABILITY OF “SERVICE PROVIDER”

“Service Provider” shall not be liable to the client/ bidders participating in the auction or any other person(s) for:

- Any breach of contract by any of the parties in the fulfillment of the underlying contract.
- Any delays in initiating the online auction or postponement / cancellation of the online auction proceedings due to any problem with the hardware / software / infrastructure facilities or any other shortcomings.

While, reasonable care and diligence will be taken by “Service Provider” in discharge of its responsibilities such as design of the online bid, communication of bid details and rules, guidance to client/ bidders in accessing the Auction Engine and placing bids, etc. the bidders shall specifically indemnify “Service Provider” from all liabilities for any shortcomings on these aspects. It is clearly understood that these activities are undertaken by “Service Provider” to assist the bidders in participation but the ultimate responsibility on all these counts lies totally with the bidders.

RIGHT OF THE CLIENT:

The Client reserves the right to partially or totally accept or reject any / all bids placed in the Online Auction without assigning any reason whatsoever. The decision of the client would be final and binding on the bidder in any such case.

CONFIDENTIALITY CLAUSE:

“Service Provider” undertakes to handle any sensitive information provided by the client or confirmed bidders for the auctions conducted with utmost trust and confidentiality.

JURISDICTION

Any disputes relating to the online auction module shall be subject to the sole jurisdiction of Court of Law having jurisdictions over the Plant from where the materials are being sold.

ANNEXURE-D DEFINITION OF KEY TERMS

Auction.

Auction refers to a forum where the requirement for one/more lots of an item is stated and the participants (bidders) are required to bid down the price to be selected to supply the requirement.

Online Auctions.

Online auctions refer to those auctions conducted through the internet with the bidders (from one or more locations) simultaneously bidding to be selected for supplying the item/s on auction. In other words, the venue for the auction is on an Internet website/platform. The "Service Provider's" website assigned by "Service Provider" would constitute venue for the purpose of the online auction.

Award at the Auction.

In a single winner format, only one bidder (normally the bidder who quotes the highest price) is awarded all the units of the item being auctioned. The bidder quoting the highest price is normally allotted the item.

Client.

Client is the individual/business entity who has contracted "Service Provider" to conduct such auction. In case of auction, the purpose would be the genuine intent to sell the selected item/s (Lot) to the bidders desiring to buy these items from the Client.

Bidder.

Bidder is the individual/business entity participating in the auction, intending to buy the item/s from the Client. To become a Bidder in the auction, a business entity has to secure client approval for participation and also provide written assent to the General Rules and Regulations

Auction Engine.

Auction Engine refers to the software that encapsulates the entire auction environment, processing logic and information flows. "Service Provider" is the sole owner of the auction engine and retains exclusive right over the utilization of the same.

Timings of the Online Bid.

All the timings of the Online Bid shall be based on the time indicated by the Server hosting the Auction Engine. It shall be the endeavor of "Service Provider" to ensure that the Server Time reflects as closely as possible the Indian Standard Time (IST) i.e. GMT + 0530 hrs. However, in the event of any deviations between the Server Time and the Indian Standard Time, the functioning of the Auction Engine (launch, operation, and closure) would be guided by the Server Time. Bidders are advised to refresh both the windows of the Auction Module check the exact Server Time (displayed in both the windows).

Preview Time.

Preview Time refers to the period of time that is provided prior to the commencement of bidding. This is to facilitate approved participants to view the auction details such as item specifications, bidding details and bidding rules. The purpose is also to familiarize participants with the functionality and screens of the auction mechanism. It is not mandatory for "Service Provider" to provide Preview Time.

Start Time.

Start time refers to the time of commencement of the conduct of the online auction. It signals the commencement of the Price Discovery process through competitive bidding.

Duration of the Auction.

It refers to the length of time the price discovery process is allowed to continue by accepting bids from competing bidders. The duration of the auction would normally be for a pre-specified period of time. However, the bidding rules may state the conditions when the pre-specified duration may be curtailed/ extended. The conditions include:

- Curtailment of auction duration in the event of no bids for a specified period of time (Inactivity Time)
- Automatic extension in the event of bids being entered towards the end of the scheduled duration to facilitate the other bidders to view and react to the bid.

Auto Extension of the Auction Timings.

In the event of bids in the last few minutes of the scheduled bid time, the Bid Timings are automatically extended for a specified period from each such bid. Such Auto Extension shall continue until no bids are placed for the specified period (Engine remains inactive for the specified period). The Inactivity Time for Auto Extension purpose is normally X minutes. "Service Provider" however retains the right to change the same. The Inactivity Time applicable for the particular Online Bid shall be visible to the bidders under the Bidding Rules module on the engine.

End of the Auction.

End of the Auction refers to the termination of the auction proceedings signaling an end to the price discovery process.

Auction Report.

"Service Provider" would provide an Auction Report to the Client containing a summary of the auction proceedings and outcome. The Auction Report would constitute the official communication from "Service Provider" to the client about the outcome of the Auction.

ANNEXURE-E **General Terms & Conditions for Sale of Materials through Online Forward Auction from RSP**

1. The sale is on 'As is where is' and 'No Complaint' basis. The bidders in their own interest should inspect the material before submission of their bids on-line. No guarantee whatsoever regarding quality, description, present or future condition of the material at the time of supply and or its fitness for any specific purpose can be given.

2. The Bidders should submit on-line bids on 'per tonne' basis exclusive of ED, VAT, ET and other charges & levies which will be charged extra as per rules applicable on the actual date of delivery of the material. Stockyard handling charges of Rs. 100/MT, shall be leviable extra in cases of delivery from SSSY.

3. The sale is exclusively meant for the materials stated in the auction notice and specifically precludes any other items found along with the material described above or found in the vicinity or its area which in the opinion of the concerned department or his authorised representative, do not form part of the items to be sold. The decision of the concerned department will be final in this regard.

4. **Payment:-**

The deposit for all sums of money will be accepted through e-payment mode (NEFT / RTGS) or through DD/ PO drawn in favour of SAIL, Rourkela Steel Plant payable at Rourkela. For e-payment, the a/c no. of SAIL, RSP is 00000010607498956 with State Bank of India (Commercial Branch), Main Road, Rourkela. The IFSC code of this SBI branch is SBIN0009678. Upon transfer of amount, the UTR No. (Unique Transaction reference no.) may be faxed to Marketing Deptt of RSP. Cheques will not be accepted towards the payment of sale value and sales tax. Payment will be made within the period as stipulated in the sale order. In case payment is made through DD/BO/BC, the same shall have to be deposited in the Cash Section of Finance at Admn. Building of RSP. The purchaser also has the option to deposit the payment directly in the above a/c of SAIL, RSP.

a) The purchaser has to make all the payments within 10 working days from the day following the date of Issue of Sale Order. Security Deposit will be calculated at 5% of the Lot value excluding of all taxes & duties and other charges as applicable.

For Example, if a single lot value is Rs.42 lakhs; Purchaser will have to pay 102 % (Rs.42.84 lakhs) of lot value after adjusting Rs.1.0 Lakh already deposited as EMD.

b) In case the purchaser fails to make payment for lots within 10 working days as mentioned earlier, delayed payment can be made within further period of 7 working days with 1% penalty. Such penalty shall be applicable only on the basic cost of materials. All the payment made by the party within 10 working days will be considered as payments towards basic cost of material inclusive taxes and duties. In case of any shortfall within due date, penalty will be calculated on the balance base price i.e. total base price minus proportionate base price for which payment has been received.

c) If a purchaser fails to make payment for lots even after 17 working days, the management may at its option cancel the sale relating to the lot (s) forfeiting the 5% of the plot/lot(s) value subject to maximum of Rs. 1,00,000/-, without issuing any prior notice to the bidders & such lots will be re-auctioned thereafter. **The customer will additionally be debarred for 3 Months from participating in further FAs.**

d) SAIL, RSP will have the option to offer the plot/lot for re-auction after 7 working days extra time is over i.e. after 17 working days from the date following the date of Sale Order.

e) Penalty amount is applicable only on the basic cost of the material.

- f) All days mentioned above are working days. The office holidays' list of RSP shall be final and binding for all purposes. No interim extension of payment dates would be considered by RSP hereafter, except in case of force majeure circumstances and Bandh/ Strike at Rourkela only, and that too, only when such an eventuality takes place on the last date of payment.
5. a) On receipt of full payment from the purchaser, the Management will issue a release order / delivery order (as the case may be) which will enable the purchaser to take delivery of the materials from the stock holder. The bidder who has signed the LOI is required to sign the release order / delivery order. If this is not possible and if the bidder desires to take delivery through his authorised representative, he must authorise the latter by a letter of authority which shall be presented to the appropriate management .The letter of authority shall bear the specimen signature of the authorised representative duly attested by the successful bidder. The management may in its entire discretion decline to act on any such authority and it shall be in all cases for the purchaser to satisfy the stockholder that the authority is genuine. Delivery by proxy will be at the purchaser's sole responsibility & risk and no claim shall lie against the management on account, whatsoever, if delivery is effected to the wrong person.
b) The purchaser should lift the material within 20 working days from the date following the sale order. In case the material is not lifted within the above stipulated period, extension will be given with 1% ground rent per week on the un-lifted quantity. Such permission for extension shall be at the absolute discretion of SAIL, RSP.
6. a) In case the quantity is found to be less than the quantity given, no claim will be entertained but amount proportionate to the quantity not made available will be refunded. However, if the quantity after lifting of this stipulated quantity is found to be in excess of the same, offering of the additional quantity to the successful bidder will be solely at the discretion of HOD (Mktg) and in case the same is offered to the successful bidder, the bidder will be bound to make payment for the additional quantity at the rate at which the contract is awarded and would lift the same within the time specified for the purpose.
b) HOD (Mktg) at his own discretion can award the contract for full quantity of the material or can divide the auctioned quantity between one or more bidders.
7. The material shall remain in every respect at the risk of the purchaser from the date of issue of the sale order and SAIL will not be under any liability for safe custody or preservation thereof from the date of issue of Sale Order till the date of final removal.
8. Any damage within SAIL's premises caused by the purchaser during the operation of the contract will be debited to his account. Assessment of damages/ breakage or loss will be done by RSP, which shall be final and binding on the purchaser.
9. The Bidders are requested to confirm whether they are registered dealers under VAT Act. If so, they should indicate the registration number on this copy of terms and conditions.
10. **Validity of Price Bid:-** Bidders will keep their offered price open for acceptance for 30 days from the date of FA.
11. The Purchasers should make arrangements to take delivery of material by their own transport. Lifting will be allowed only by road transport. Weighment of the material would be done on the Plant Weighbridge. The weighment taken in the above weighbridge will be final and binding for all purposes. The road delivery procedure being followed in the Plant would be strictly applicable and the purchaser would have to abide by the same. The purchaser would lift the material as directed by the head of the concerned department or his authorized representative. No pick and choose will be allowed. The decision of the concerned department will be final for the above purpose.
12. The purchaser will make his own arrangements for removal of material, by employing his own labour, tools, implements and will use his own transport for taking delivery of materials in case of road delivery.
13. The purchaser shall assume all liabilities for and keep SAIL wholly indemnified against all sections or suits, claims, costs and damage charges and expenses arising out of or in connection with the contract or workmen engaged in the work
14. **(a) Withdrawal of goods from sale:** The Management reserves the right to withdraw at any stage from the sale after advertising or after issue of Sale Order / Release Order / Delivery Order for any item or any quantity of the materials by number or weight without assigning any reason thereof to the purchaser. Sale Value for the materials so withdrawn, if any, paid by the purchaser, will be refunded. The Management will not be responsible for any damages/ loss what so ever to the purchaser on account of such withdrawal.
(b) The Management reserves the right to dispose off any item by other means even after inviting bids for sale of such materials by FA.
15. **a) Abandoned Goods:**
The purchaser must effect complete removal of the materials from the site within the date specified in the release order / delivery order issued by the Management. **The material will be deemed to be under the custody of the purchaser once the full payment or part thereof is deposited with RSP.** In case the material is not removed in full within the specified date, release order / delivery order for the left over quantity will be treated as cancelled. The materials so left over will be treated as "Abandoned Goods". The Management will have full right on such Abandoned Goods and will be entitled to resell or dispose off the same in any manner it deems fit without any reference to the purchaser. The buyer will have no claim on materials declared as "Abandoned Goods". In addition to forfeiting such abandoned goods, the initial

deposit and the price if any paid by the purchaser shall further be held liable for all commission and other charges and losses suffered by the Management which may be sued for & recovered in a Court of Law.

b) If the purchaser fails to remove the full materials within the extended delivery date, the materials so left over will be treated as "Abandoned Goods" and will be dealt with as stipulated in Para 17(a) above.

c) If any materials for which delivery order is issued could not delivered to the purchaser by the Management either in full or in part due to any reason, the Management may extend the date fixed for removal of the materials for a further period without charging Ground Rent

d) It is however clarified that for a material to be constituted as Abandoned Goods, the incident of removal of material will be a must, may it be in part.

16. Recovery of Dues: Any sum of money due and payable to the purchaser including Security Deposit (returnable to him under this contract) may be appropriated by the Steel Authority of India Limited, Rourkela Steel Plant or Government of any other person or persons, including other Steel Plants under SAIL and adjusted against any claim of the Steel Authority of India Limited, Rourkela Steel Plant or Government or such other person or persons including other Steel Plant under SAIL for the payment of the sum of money of the arising out of or under any other contract / tender made by the purchaser / bidder with the Steel Authority of India Limited, Rourkela Steel Plant, or Government or such other person or persons including other Steel Plants under the Steel Authority of India Limited.

17. Compliance of Labour Laws Safety Rules: During the period of the purchaser's workers are employed within the Rourkela Steel Plant, Rourkela premises, they will be governed by the Labour Law and Rules, Factory Act and Rules and Rourkela Steel Plant Security Rules & Safety Rules as applicable and it shall be the responsibility of the purchaser to ensure that the statutory provisions are complied with fully.

18. Illegal Gratifications: Any bribes, commission, gifts or advantage given, promised or offered by or on behalf of the bidder or his partner agent or servant, or any one on their behalf to any Officer, servant, representative or agent of the company or any Officer, Servant, Representative or agent of the Company or any person on their behalf in relation to the obtaining or to the execution of this or any other contract with the company for showing or for bearing to show favour or disfavour to any person in relation to this or any other contract as aforesaid shall subject the bidder to cancellation of this contract and also to payment of any loss or damage resulting from any such cancellation, to this like extent.

19. Damage to Plant Properties: The purchaser shall be fully responsible for any loss/ damages that may be done to the premises, equipments, machineries, and other installations of the Plant in the course of removing the lot/ lots bought by him, and the purchaser is fully liable to reimburse to the Management the cost of such damages. The Management fully reserves the right to recover the cost of such damages from any sum due to the purchasers.

20. Re-Sale: Re-Sale will not be recognized by the Management. Sale Offers and release orders will be made out only in the name of actual purchaser.

21. Submission of Bids in the Online Forward Auction will mean that the bidder has gone through the terms & conditions and accepted the same in totality.

22. RSP reserves the right to cancel the contract at any time during its validity without assigning any reasons thereof, whatsoever they may be. The decision of HOD (Mktg) will be final & binding.

23. Arbitration

All questions, claims, disputes or differences of any kind whatsoever arising out of or in connection with or concerning this contract, at any time, whether before or after the determination of this contract, other than questions, claims, disputes or differences for the decision of which specific provisions have been made in the foregoing clauses of these conditions (hereinafter referred to as "excepted matters" and decision on which excepted matters according to the said specific provisions shall be final and binding on the parties to this contract and shall not be re-opened or attempted to be reopened on the ground of any informality, omission, delay or error in the proceeding or on any other ground whatsoever) shall be referred by the parties hereto for the decision by a Sole Arbitrator to be appointed as hereinafter mentioned.
